DESTINATION

Named from obat, the Indonesian word for "medicine", Ubud is Bali's cultural and healing heart. Located around 90 minutes from Ngurah Rai International Airport, Ubud sits in Bali's central highlands and is widely regarded as the island's cultural and spiritual center. In contrast to the beach party scenes of the south, it offers a more grounded experience defined by traditional arts, lush tropical landscapes, and a strong focus on holistic wellness.

One and a half hour drive from Ngurah Rai International Airport.

RESTAURANTS & BARS

At Kimpton Suntaya Bali Ubud, every dining experience is a sensory journey. From vibrant social dining at Samana, riverside relaxation at Pelago to modern Indonesian flavors at Cascara and elevated Japanese omakase by Chef Imamura, each concept is crafted for mindful indulgence and culinary discovery.

IMAMURA & SHAKU BY IMAMURA

Imamura, a Michelin starred Japanese Chef restaurant featuring chef Imamura, bringing a fusion of tradition and innovation. Elevating further with Shaku by Imamura, Japanese Izakaya with speak-easy bar.
